PROGRAM DESCRIPTION

The objective of our teacher training program is to provide trainees with the skills, knowledge and confidence to be successful ESL teachers.

CELTA is an initial qualification for people with little or no previous teaching experience and is one of the most widely taken qualifications of its kind. Over 10,000 people each year choose CELTA to open up a whole world of exciting English language teaching opportunities.

PROGRAM OVERVIEW

Input sessions: learn the principles of effective teaching and gain a range of practical skills for teaching English to adult learners.

Teaching practice: six hours of supervised and assessed teaching at various levels.

Feedback on teaching practice: personalized feedback on your teaching practice.

Lesson planning: guidance in planning your lessons for the teaching practicum.

Support: individualized tutorials to help you map your progress.

Observation: learn from observing your peers and experienced teachers.

Assignments: four written assignments to reinforce the theory behind the practical aspects of teaching.

ABOUT THE UNIVERSITY OF CAMBRIDGE

The University of Cambridge in England has been at the forefront of English language assessing and teacher development for over forty years. Their rigorous standards and internal assessment processes ensure high quality testing and training that makes their programs and qualifications recognized around the world. ILSC–Montréal has been an authorized Cambridge CELTA center since 2003.
