MESSAGE FROM THE OWNER

My name is Lea Thorson and I am the owner of Dreamscape Ranch. The ranch is my dream home, a place in the country with my horses, dogs, cats and chickens.

I understand that you are interested in spending some time with us here at the ranch. Because of the limited space available, I want to make sure that Dreamscape is the right place for you. Please answer the following questions truthfully and in your own words (don't worry about your English) so that I can get to know you a little more.

Is staying at our Ranch right for you? Here is an example of a typical day at the ranch in the summer:

You feed and check the animals (horses and chickens) at 7:30 am, sometimes earlier, when it is really hot, then prepare and have your own breakfast (food provided). After breakfast and cleaning up the dishes, you go pick up the horse manure (horse poop) in all the paddocks and do other chores in and around the ranch. You then have lunch (making your own lunch – food provided). In the early afternoon we usually do other ranch chores and some house work as well. After that, most of the time, it is your free time or time to spend with horses such as brushing them, doing ground work, riding in the arena or round pen or riding out on a guided trail ride. If you wish you can do other things as well such as walking, hiking or any form of exercise or just relax.

At 5 pm you check and feed the horses and chickens again and will come inside and have dinner. Every student has their rotating chores that have to be done everyday such as helping with dinner preparation, putting leftovers away, wash and dry dishes, tidy up the surfaces and cleaning the bathroom. All the students help with all the work required to run a horse ranch. After dinner is free time to do whatever you wish. For the advanced riders you may have a chance to play with horses in the round pen or the arena. All riding is weather dependent. Occasionally we go into town for a movie or other activities. There activities are not mandatory – only people willing to participate do so. Any costs for outside activities are the student's responsibility.

We want your stay at Dreamscape Ranch to be a great experience that you will remember for the rest of your life...

Why do you want to visit a ranch in BC?

What are your wishes and dreams for your trip to B.C.?

What kind of activities do you expect to do during your visit?

How long have you been involved with horses?

What kinds of riding have you done, if any? (Example: Arena riding, round pen riding, trail riding, ground work, English or western riding...)

Is there anything else you would like to tell us concerning your experience with horses? (The more information you can give the better!)

If you don't have any experience with horses, do you want to learn to ride and work with horses? Please note that beginner riders may not ride as often as the advanced riders. Beginners will be given some riding lessons – and if you are really interested you can pay for more lessons.

What experience do you have with what other animals than horses, if any?

Everyone helps with house hold chores (cleaning, cooking, and helping look after guests...) Do you have any concerns with this? If yes, please tell us why.

Do you help at home with the house hold? If yes what do you help with?

Are you vegetarian, vegan or have any allergies or special diet requirements? We need advanced notice for special diets or we may not be able to accommodate your needs.

Thank you for filling out this questionnaire. We will look at your answers and determine if our Ranch is suited for yours and our needs.
