## Program Description

If you are currently working within a leadership role or building your career, ILSC Greystone's Advanced Diploma of Leadership and Management will be ideal for you. This program aims to build future leaders by developing skills and insights into sustainable business practices, change management, innovation and corporate responsibility to name a few.

## Study Schedule/Delivery Mode

In all of our programs, you will build a timetable which combines 6 hours per week of online study and 14 hours per week of in-class study. The online study component includes exercises, discussion forums, and resources to help with assignments and to provide foundational academic and learning skills. In-class study schedules combine the core lecture with foundation skills and PASS classes. You must attend both lectures, as each lecture covers different content. PASS classes are Practical Assessment Support Sessions. In PASS classes, you will meet with your trainer to discuss any questions you may have about study or assessments. Foundation Skills sessions help you build language and other skills for business. You will learn to speak and present ideas with confidence. Topics include running meetings, writing business emails, negotiating and giving presentations.
