Program Description

The marketing industry is dynamic and fast-evolving and can offer rewarding and exciting opportunities for those looking to play a vital role in any business - combining creativity and strategy to communicate value to consumers.

The CORE^a units from the Certificate IV in Marketing and Communication are a pre-requisite to the Diploma in Marketing and Communication. The program will provide students with a solid foundation in marketing and communications, and explore how to identify and present digital marketing solutions. By the end of the qualification, students should be empowered with the knowledge to solve marketing and communication problems and develop digital strategies.

Study Schedule/Delivery Mode

In all of our programs, you will build a timetable which combines 6 hours per week of online study and 14 hours per week of in-class study. The online study component includes exercises, discussion forums, and resources to help with assignments and to provide foundational academic and learning skills. In-class study schedules combine the core lecture with foundation skills and PASS classes.
