COURSE DELIVERY, ASSESSMENT METHODS, & COMPLETION

All General English programs are delivered face-to-face. Most students will complete one academic level within 8 weeks. At the end of every 4 week session, teachers provide students with a Student Progress Report (SPR). Students must earn at least 70% on their SPR to move to the next level. The SPR assesses student performance in class (speaking skills, grammar skills, etc.) and assessment results (tests, homework, quizzes, etc.). Students will receive a certificate of completion at the end of their studies as long as they have met the attendance requirement. Students will also receive additional certificates for most specialty programs upon successful completion of program requirements.
