These courses help you build fluency and connect through language with other students in the 30 and up age group. With ILSC's dynamic approach to course delivery, where set curriculum is complemented by the interests of students, course topics and class discussions will naturally develop in a way that resonates with the life experiences, goals, and interests of those in this more experienced age group.

A DIVERSE RANGE OF ELECTIVE OPTIONS IN THE AFTERNOON

Complement your *30 & Beyond* course choosing from our diverse suite 30 & Beyond electives to meet your personal interests and goals.
