WHAT IS IELTS?

IELTS, the International English Language Testing System, is an internationally recognized test of English proficiency. IELTS test results are recognized by more than 9,000 organizations worldwide, including universities, immigration departments, government agencies and multinational companies. Targeting and achieving an IELTS score opens up global opportunities for study, work and migration.

DESCRIPTION

The IELTS Mastery Program is designed to prepare you for all four modules of the IELTS exam. Classes focus on developing listening, speaking, reading and writing skills, grammar, and vocabulary to achieve your target IELTS score. Receive daily instruction and practice that will lead to improved IELTS test scores in each of the skill areas. Develop test-taking strategies with practice IELTS exams.

IELTS Mastery is available with two targets: an IELTS score target 5.0 - 5.5 and an IELTS score target of 6.0+. Perfect your English skills for IELTS during this focused program, and get the results you need.

ILSC Entry level*	IELTS Target	
11/12/13	5.0 - 5.5	Focus on the language skills and test taking strategies required for success on the IELTS exam. Develop reading, writing, speaking, and listening skills with integrated grammar and vocabulary development as required in the exam.
14/A1/A2	6.0+	Develop and demonstrate the range, fluency, and language control of a competent communicator. Build skills to express ideas with clarity in a variety of ways. Strengthen all four skills and build advanced grammar and vocabulary.

*Students must take ILSC's Pre-Registration Online Language Assessment (PROLA) to determine their level, or have an existing IELTS score of 4.5.
